

Name _____

Day 4

WORK FROM HOME

READING

- Read a just-right fiction book for at least 20 minutes
- Complete the reading response question below

DAY 4

Title _____

Author _____

Minutes read _____

If you could only use **one word** to describe the **main character**, what would it be?

List **two reasons** why you chose that trait.

1. _____

2. _____

GRAMMAR

- A **plural noun** names more than one.
- Make each noun below plural.

dog → _____ box → _____

iPad → _____ book → _____

car → _____ pencil → _____

glass → _____ boy → _____

WRITING

It is so important, especially at this different time, to be thankful for what we have. What are you most thankful for today? Write a paragraph with a topic sentence, 3 supporting sentences, and a conclusion sentence explaining what you're thankful for today. 😊

MATH

- Solve the word problem below. Show your work and include a label with your answer.

Angela and her dad baked 36 chocolate chip cookies. Her family ate 9 of them after dinner. How many cookies are left?

Answer:

- Solve the addition problems. Use expanded form or hundreds, tens, and ones to solve!

$$\begin{array}{r} 581 \\ + 293 \\ \hline \end{array}$$

$$\begin{array}{r} 756 \\ + 92 \\ \hline \end{array}$$

$$\begin{array}{r} 218 \\ + 159 \\ \hline \end{array}$$

SCIENCE

Watch the Mystery Doug lesson about hand sanitizer! (<https://mysteryscience.com/mini-lessons/germs-sanitizer?code=784b83e7ea71d0afe27ecc586e555525>)

Answer the question, *how does sanitizer kill germs?*

Additional, optional activity to show the importance of washing your hands:

- Fill a small bowl with water and sprinkle pepper on top. The pepper represents germs.
- Dip your finger in the pepper water. What happens when you pull your finger out?
- Now, dip a different finger in dish soap, and then dip that soap-covered finger in the pepper water. What happens to the water? What happens when you pull the finger out?

JUST FOR FUN

Go for a nature walk around your neighborhood. Observe... how many trees are in bloom now that Spring is underway? What animals do you notice out and about? What are the sights, sounds, and smells of Spring you notice in your neighborhood?
