WRITING

Where do you like to do your learning at home? Write about your favorite spot in the house to do school work and how this spot makes you feel. Try to **SHOW** how you feel, not tell. 😊

MATH

OUR EARTH MATH PROJECT

Your job today is to complete **task 3**. It combines your understanding of picture graphs with bar graphs. (You may go above and beyond if you'd like! Tasks 5, 6, 7, and 10 are optional. Feel free to choose any of these as extra tasks! 😊) Check each one off when you complete it. Good luck, global citizen!

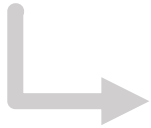

TASK

#3

TREE PLANTING

The park in town has committed to plant new trees this year, but they need help getting all of them planted. You and your friends decide to help!

OPTIONAL TASKS:

TASK

#10

If you'd like, complete 2 rounds of math facts on Freckle!

SCIENCE

Complete today's attached STEM challenge! How can you use a coffee filter, cup, string, and tape to make a parachute that saves a small figure?

Challenges:

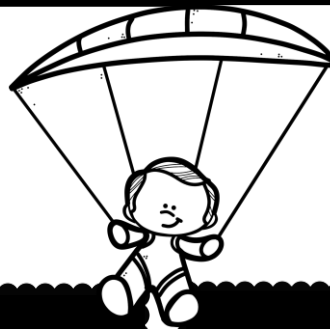

- If your parachute lets your mini figure (like a Lego figure) land safely, what else can your parachute let safely land? Choose some other "passengers" for your parachute!
- What other materials could you use to make the parachute? Be creative!

JUST FOR FUN

- Ask someone at home to teach you how to do the laundry and do one complete load.
- Write 1 thing you learned about laundry: _____
