

WELCOME TO 2ND grade

HELLO! My name is Mrs. Mare, and I can't wait to start our year together. For the past three years, I taught fourth and fifth graders in Mattapoisett and Acton. I grew up in Rochester, though, and I actually went to school at RMS, too! I am so excited to return to RMS and begin second grade with you! I think you'll really enjoy the science and social studies topics we get to learn about together.

Before becoming a teacher, I was a graphic designer. I love creative projects and anything to do with art. When I'm not at school, I enjoy reading, running, and spending as much time as I can at the beach. This summer, I had the chance to explore Hawaii and bicycle down a volcano! What are some things you like to do?

I can't wait to meet you and learn all about your favorite things. Before you know it, we'll be back to school, so enjoy the rest of your summer. I will see you soon!
